RE: MBE Certification

Dear Lloyd Noel:

The Department of Small Business Services, (“SBS”), hereby certifies your firm pursuant to Title 66, Chapter 11, Subchapter B of the Rules of The City of New York, governing the Minority and Woman-owned Business Enterprise Program. This certification remains in effect until 12/31/2017, but may be reviewed prior to the expiration date.

City-certified businesses obtain greater access to and information about contracting opportunities through networking events, targeted solicitations and to promote your company to City and corporate buyers, SBS will list your business in the New York City Directory of Certified Businesses at www.nyc.gov/buycertified. You can also benefit from the NYC Business Solutions services, including recruitment, financing assistance, and services to help you “Compete to Win” more contracts. “Compete to Win” now offers Technical Assistance, NYC Teaming and Upfront Capital Loan. If you are a construction firm, you can also access NYC Construction Mentorship and Bond Readiness.

A certified business must notify SBS within 45 days of any material change in the information you provided in your application. A material change may include, but is not limited to, a change in any of the following: company name, business type, ownership interest, officers, operational control, business address, principal product(s) or service(s).

If you have questions regarding your business’ certification, please contact us at 212-513-6311 or mwbe@sbs.nyc.gov.
